TO: THE PUBLIC AND MEMBERS OF THE PRACTICING BAR FOR THE  
SOUTHERN DISTRICT OF INDIANA

Cameras, video recorders and other devices that create or project still or video images are not permitted within the Courthouse, except under specific circumstances (*e.g.* to record naturalization ceremonies). With the advent of telephones that will capture and transmit still and video images, the bar and members of the public are cautioned that devices with these capabilities will not be permitted in the courthouse during the regular course of business. Individuals bringing these devices onto court property will have to surrender them at the security screening stations in order to gain access to the building.
